

REQUIRED DOCUMENT

The document must be signed and returned before a student athlete can participate.

ARIZONA

MEN'S LACROSSE

2025-2026 SEASON ATTENDANCE POLICY

Practice and game attendance is mandatory for all University of Arizona Men's Lacrosse players. Missing or being late to practice not only shows a lack of commitment but it disrespects the coach's and players and will not be tolerated.

To limit conflicts the coaching staff has prepared a calendar of events for the entire year. Please plan your future events around this calendar with the understanding that some minor changes will occur as projected events planned this far in the future are subject to change.

EXCUSED ABSENCES

- Sickness - Only with a verified note and phone number.
- School Tests or Mandatory School Events - Only with 48 hr prior notice.

UNEXCUSED ABSENCES

- Fraternity & Social Events - These events are not excused. When you joined the team you commit to be a lacrosse first player. You are welcome to pursue University activities outside of lacrosse as long as lacrosse takes priority.
- Vacations, Birthdays, Family Visits and Personal Events/Errands.

LATE POLICY

- If a player is late for practice the entire team will run 1 gasser for every minute they're late up to 5 min.
- A player who is more than 5 min. late he will be sent home. If a player is sent home three times for being late they will be automatically removed from the team.

POLICY FOR MISSING PRACTICE OR GAME

- 1 Unexcused Practice Absence - 1st half of the next game.
- 2 Unexcused Practice Absences - Suspended for the next game.
- 3 Unexcused Practice Absences - Automatic removal from the team.
- Missing a game is grounds for immediate removal and will be handled on a case by case basis.

I acknowledge that I have read and understand the Arizona Men's Lacrosse Attendance Policy and agree to abide by the programs rules as established by this document.
